OFFICE OF MEDICAL SERVICES
HEALTH EDUCATION SERIES

SELF-EXAMINATION OF THE BREAST

The Office of Medical Services will conduct a special small group program on the technique of self-examination of the breast. Self-examination is an important part in a program of early detection of breast cancer.

The program will include the American Cancer Society movie "Breast Self-Examination" followed by practice in the technique of breast self-examination with the use of the BETSI Breast Teaching Model. The program will be under the supervision of OMS physicians and nurses.

These clinics will be held in the Medical Office Conference Room, 1D 4021, Headquarters. Depending on the degree of interest, the clinics will be held during the months of June and July 1981.
